Scapegoat Garden is seeking 3-4 multi-faceted performers/dance artists with strong dance technique, an openness to artistic experimentation and a willingness to engage in collaborative process.

Scapegoat Garden is a collaborative dance theater based in Hartford, CT, driven to create daring, interdisciplinary performance that goes in through the nose, eyes, skin, ears and mouth to stir those who witness or participate. Founded in 2002, in an ongoing quest to balance technique, form, integral process, and a genuine expression of the human experience, the company has performed in venues throughout New England and New York.
